**Parish, Home and School Connection Art Project**

Dear Parish Family,

You have all been in my heart and on my mind during this strange and challenging time. I had an idea for an art project to connect our parish, students and families. I need your help.

The lack of physical connection with each other which we all experience right now is something that each of us struggles with in different ways. It is a struggle because it goes against something that is at the very heart of what it means to be human. We need relationships. We have been designed, empowered and called by God to live in relationship or "Communion" with Him and with one another. This project is a way for our students, parents, siblings, parishioners, teachers, and staff to connect together with something tangible and representative of that Communion with each other and with Christ.

This is where I need your help, if you would like to participate you need to send me an intention, worry, thought, prayer, a wish, a hope, positive experience, a sad experience from this time in your lives. Anything is okay. You can do it individually or as a family.

Those sentiments would then be written into fabric by me and collectively woven and intertwined in an art piece. There is complete anonymity in the project - no name or intention will be visible in the final project. I will be using different kinds of weaving techniques as well as other textile elements. At the end we will have a piece of art that represents this time in our lives.

If you would like to participate or have any questions about the project you can email me at [bcorneil@dol.ca](mailto:bcorneil@dol.ca).

Yours in Christ, Bridget Corneil
