

At this time be assured that my prayers and those of Bishop Fabbro are with you all at this trying time. Even though we cannot be together to celebrate Mass in public, I'm still celebrating Mass privately for you, and the daily intentions found here.

Telephone calls to parishioners update –

We are hoping that you are all keeping well during this pandemic.

Bridget and Nives have been working through the parish list, alphabetically, calling parishioners. Nives started with the letter “A” and is now working with names starting with the letter “G”. Bridget is working from the letter “Z”. Please be patient with us we will get to you eventually. Should you want to contact us, we would really like to hear from you. Each call is given whatever time you need. It has been a grace filled gift talking to you, thanks for that. Stay safe and healthy. Should you need anything from us that we can help with, please do not hesitate to contact us.

Fr. Don, Nives and Pam continue to be in the Parish Office during the week, although the office is closed. If you are in need of some help, or just someone to talk with, please do not hesitate to give us a call.

The PLANT AND GARDEN area of the Garage Sale have tomato seedlings to sell for \$1.00 a plant while quantities last. Contact Colleen Kelly at 519-657-0528 to purchase the plants. If you have seedlings that you want to donate, please contact Colleen as well.

***Tree Talk:** Trees provide food and medicine for us. They are also the source of many vitamins.*

Parish, Home and School Connection Art Project

Dear Parish Family,

You have all been in my heart and on my mind during this strange and challenging time. I had an idea for an art project to connect our parish, students and families. I need your help.

The lack of physical connection with each other which we all experience right now is something that each of us struggles with in different ways. It is a struggle because it goes against something that is at the very heart of what it means to be human. We need relationships. We have been designed, empowered and called by God to live in relationship or “Communion” with Him and with one another. This project is a way for our students, parents, siblings, parishioners, teachers, and staff to connect together with something tangible and representative of that Communion with each other and with Christ.

This is where I need your help, if you would like to participate you need to send me an intention, worry, thought, prayer, a wish, a hope, positive experience, a sad experience from this time in your lives. Anything is okay. You can do it individually or as a family.

Those sentiments would then be written into fabric by me and collectively woven and intertwined in an art piece. There is complete anonymity in the project - no name or intention will be visible in the final project. I will be using different kinds of weaving techniques as well as other textile elements. At the end we will have a piece of art that represents this time in our lives.

If you would like to participate or have any questions about the project you can email me at bcorneil@dol.ca.

Yours in Christ, Bridget Corneil
