Education and awareness of the struggle of loneliness is a new focus for the Catholic Women's League. The St John the Divine CWL has established a Loneliness Committee to help our CWL community and Parish community better understand the serious impact that loneliness can have on our health and well being.

Loneliness is as lethal as smoking 15 cigarettes a day.

Loneliness is associated with a 30% increase in early mortality.

Healthcare providers, researchers and politicians recognize that loneliness is a serious concern for society. The global pandemic has put more people at risk of experiencing loneliness.

Our campaign is call Reach Out to End Loneliness. We will be sharing more information on this important issue in the weeks to come.

Dear Friends of Jean Vanier Catholic Elementary School

As you may be aware we are beginning a discernment process in our renaming of our school. For those who have had children attend the school, or have had some contact with the school we are searching for what makes our school unique in its link to the L'Arche community. There are four questions listed in the survey. If you are able please fill in your answers on the reflection tool.

Please copy and paste this link into your browser:

Please continue to pray for us as we pray for you each day.
